This should be conveyed to David and Craig and then communicated when we deploy resources. Having a call with R6 and R9 today since they may need to use our SSID

now and figure out coordination on that.

Regional Comptrollers & Other Program Offices

Attached please find the instruction/guidance on how to ensure proper charging and tracking of payroll, contracts, and travel resources associated with the response to the Gold King Mine Release. While this may only currently affect some of you, I felt it would be prudent to share with all of you as some of your regional staff may be traveling to assist.

Please share with others as appropriate.

Thank you.
